

## Undercarpet Conference Room Kit, category 5e, 3-conductor, black

- Provides services for power and communications (4 ports of communications and 2 duplex power receptacles)
- Reduces cost of installation, no core drilling required
- Yields a more aesthetically pleasing and cleaner installation than power poles
- Provides one circuit of power to two duplex receptacles in a compact, durable floor mounted outlet
- Provides four ports of any combination of voice or data on Cat 5e or Cat 6 cable to RJ45 jacks in a compact, durable floor mounted outlet
- Transition boxes can be easily retrofitted in place of existing power and communications wall outlets
