PVS-050B-U

Top Rail Reinforcement Kit for Monopole Platforms

Product Classification

Product Type Reinforcement kit

Product Series ATLAS

General Specifications

Mounting Round member | Square support rail

Pipe, quantity 0
Sectors, quantity 1

Dimensions

Width 4,419.6 mm | 174 in

Mounting Diameter, maximum1270 mm | inMounting Diameter, minimum254 mm | inStand-off Distance914.4 mm | in

Material Specifications

Material Type Hot dip galvanized steel

Packaging and Weights

Included Attachment hardware | Legs

Packaging quantity

Weight, net 60.214 kg | 132.75 lb

Regulatory Compliance/Certifications

Agency Classification
